### Summary:

OSHA's Region 5, which includes Ohio, set the bar for the highest number of inspections in the nation with 6,901 in 2008. 24% of those inspections found the employer to be in compliance with OSHA regulations. 16,599 citations were issued in Region 5 alone in 2008, once again leading the nation. 77% of those violations cited were considered serious violations. The average penalty per citation was \$918. 60% of the sites inspected were construction sites.

The top ten most frequently cited standards in 2008 for General Industry were:

- 1) Hazard Communication
- 2) Respiratory Protection
- 3) Lockout/Tagout

# 4 THINGS YOU SHOULD KNOW...

- Leonardo Divinci invented scissors. It also took him 10 years to paint Mona Lisa's lips.
- A tiny amount of liquor on a scorpion will make it go mad and sting itself to death.
- The mask used by Michael Meyers in the original Halloween movie was a Captain Kirk from Star Trek mask, painted white.
- By raising your legs slowly and lying on your back, you can't sink in quicksand.

## ADDITIONAL MEETING NOTES:

- A Survey, developed by the Steering Committee, was distributed to the Council members. The survey asked questions the BWC programs and activities that you utilize, your views on the Safety Council (how are we doing?), what topics you would like to see for our Lunch and Learn events next year, and if your organization would be willing to sponsor a lunch.
  - The Steering Committee asks that each Council member please fill out the survey, which will also be distributed at the August meeting. The results will be discussed at the October meeting.
- CPR classes will be offered to the Council with only 9 people being selected on a first come, first serve basis. Only one person per company may attend. One session will be held on August 14 from 8:00am-Noon. The cost is only \$11 for the course work book, which the students get to keep. Contact Debbie Murphy at 578-2421 if you are interested in attending.
- Another OSHA 10-hour course (cost \$75) will be held with enough interest.
